The school would like to take this opportunity to share with you how we can work together to build a supportive and nurturing environment for the holistic development of our children. You will also have the opportunity to find out more about the learning experiences that your child will go through in his/her first year in the primary school.

We invite all parents to join us for the engagement sessions at a separate venue after bringing your child to his/her class. If you would like to observe your child during his/her recess, you would be required to remain in school in the designated venues until his/her recess. Please note that you will not be able to re-enter the school during school hours until your allocated dismissal time for your child. (Please see the detailed programme below)

## **RECESS TIMINGS ON 4 JANUARY 2021**
