## Get-Together

PSG started the new year with a get-together session on 12 Jan 2013. P1 and P2 parents were invited to join us. Some of our PSG members shared their volunteering experience and PSG activities for Year 2013 were discussed on the event.

We were encouraged by parents' active participation in the discussion by sharing their views and concern on PSG involvement in the school.

## CNY Shopping Trip

Every year PSG organized CNY shopping trip for our lower primary parents and teachers. On 26 Jan 2013, we travelled Woodlands Loop and Woodlands Terrace where the great bargains could be found!

Our parents were engrossed in shopping and food tasting for their CNY goodies at various food outlets that we had planned for the trip.
